

# SIIM 2010 Annual Meeting Roadmap

## Imaging Informatics Professional

This Roadmap has been designed for IIPs who are new to the field and/or looking to sit for the ABII Certified Imaging Informatics Professional Examination.

### Preconference Course - Wednesday, June 2

8:00 AM	<p>Preconference Course</p> <p><b>2010 Live Imaging Informatics Professional Bootcamp</b></p> <p>Room 200</p>
---------	---

### Day 1 - Thursday, June 3

8:00 AM	<p>Opening General Session/Learning Track 2 Applied Learning Session</p> <p><b>Using Dashboards and Business Analytics for Practice Improvement</b></p> <p>Room 101 HIJ</p>
9:30 AM	<p>Exhibit Hall Grand Opening</p> <p><b>Visit the Exhibit Hall</b></p> <p>Hall B</p>
10:15 AM	<p>Learning Track 1 - Practical Imaging Informatics</p> <p><b>Top 10 PACS Problems</b></p> <p>Education Session</p> <p>Room 101 HIJ</p>
11:45 AM	<p><b>CIIP Study Group</b></p> <p>Hall B - Shared Learning Community</p>
12:30 PM	<p><b>Open Source Plug Fest</b></p> <p>Hall B - Shared Learning Community</p>
1:15 PM	<p>Learning Track 1 - Practical Imaging Informatics</p> <p><b>Practical Imaging Informatics</b></p> <p>Scientific Session</p> <p>Room 101 HIJ</p>
2:45 PM	<p>Roundtable</p> <p><b>Enterprise Integration</b></p> <p>Hall B - Shared Learning Community</p>
3:30 PM	<p>Learning Track 1 - Practical Imaging Informatics</p> <p><b>Complex Problems, Practical Solutions</b></p> <p>Applied Learning Session</p> <p>Room 200</p>
5:00 PM	<p><b>Wine &amp; Cheese Welcome Reception</b></p> <p>Hall B - Throughout the Exhibit Hall</p>

The 2010 Roadmaps are suggested sessions.  
Each attendee should base their schedule on their own needs.

Day 2 - Friday, June 4

8:00 AM	<p>Learning Track 4 - Advanced Visualization</p> <p><b>Masterminding the Ultimate, Practical 3D Lab</b></p> <p>Applied Learning Session/Vendor Tie Session Room 200</p>	<p>Learning Track 6 - Interoperability &amp; Integration</p> <p><b>Interoperability &amp; Integration</b></p> <p>Scientific Session Room 101 FG</p>
9:30 AM	<p>Roundtable</p> <p><b>Disaster Recovery</b></p> <p>Hall B - Shared Learning Community</p>	
10:15 AM	<p>General Session</p> <p><b>The 2010 Dwyer Lecture</b></p> <p><b>The Role of Imaging Informatics in the Next Generation of EMR/HER</b></p> <p>Room 101 HIJ</p>	
11:45 AM	<p>Exhibit Hall</p> <p><b>Visit the Exhibit Hall</b></p> <p>Hall B</p>	
12:00 PM	<p><b>SIIM Membership Meeting</b></p> <p>Room 101 HIJ</p>	
1:15 PM	<p>Learning Track 4 - Advanced Visualization</p> <p><b>3D Labs: What are your Options?</b></p> <p>Education Session Room 101 HIJ</p>	<p>Learning Track 6 - Interoperability &amp; Integration</p> <p><b>Image Integration and Interoperability WITHIN the Enterprise</b></p> <p>Applied Learning Session Room 200</p>
2:45 PM	<p>Roundtable</p> <p><b>Critical Results</b></p> <p>Hall B - Shared Learning Community</p>	
3:30 PM	<p>Learning Track 4 - Advanced Visualization</p> <p><b>Advanced Visualization</b></p> <p>Scientific Session Room 101 FG</p>	<p>Learning Track 6 - Interoperability &amp; Integration</p> <p><b>Image Integration and Interoperability BEYOND the Enterprise</b></p> <p>Education Session Room 101 HIJ</p>
5:00 PM	<p><b>CIIP Study Group</b></p> <p>Hall B - Shared Learning Community</p>	

The 2010 Roadmaps are suggested sessions.  
Each attendee should base their schedule on their own needs.

### Day 3 - Saturday, June 5

8:00 AM	<p>Learning Track 7 - Imaging Center PACS  <b>Image Sharing and Accessibility</b>                  Applied Learning Session/Vendor Tie Session                  Room 200</p>
9:30 AM	<p>Exhibit Hall  <b>Visit the Exhibit Hall</b>                  Hall B</p>
10:15 AM	<p><b>Scientific Posters and Demonstrations Session</b>                  Hall B - Shared Learning Community</p>
11:45 AM	<p>Exhibit Hall  <b>Last Chance to Visit the Exhibit Hall</b>                  Hall B</p>
1:00 PM	<p>Learning Track 8 - Image Intensive Specialties  <b>Image Intensive Specialties</b>                  Scientific Session                  Room 200</p>
3:00 PM	<p>Closing General Session  <b>Value Innovation through Imaging Informatics</b>                  Room 101 HIJ</p>
5:00 PM	<p><b>IIP Networking Receptions</b></p>

### Day 4 - Sunday, June 6

7:00 AM	<p>Roundtable  <b>Imaging Center</b>                  Room 101 B</p>	<p>Roundtable  <b>Hospital Informatics</b>                  Room 101 C</p>
8:00 AM	<p>Tools of the Trade Learning Series  <b>Part I: Introduction to ITK/VTK, from                  an XIP™ Perspective</b>                  Room 101 H</p>	<p>Tools of the Trade Learning Series  <b>Mining Databases with SQL</b>                  Room 101 I</p>
10:30 AM	<p>Tools of the Trade Learning Series  <b>Part II: Building and Hosting                  Applications Using XIP™ Tools</b>                  Room 101 H</p>	<p>Tools of the Trade Learning Series  <b>Hacking HL7 with Mirth Connect</b>                  Room 101 I</p>

The 2010 Roadmaps are suggested sessions.  
 Each attendee should base their schedule on their own needs.
