

SIIM 2010 Annual Meeting Roadmap

Certified Imaging Informatics Professional (CIIP)

This Roadmap has been designed for ABII Certified Imaging Informatics Professionals and/or seasoned Imaging Informatics Professionals.

Day 1 - Thursday, June 3

8:00 AM	Opening General Session/Learning Track 2 Applied Learning Session Using Dashboards and Business Analytics for Practice Improvement Room 101 HIJ	
9:30 AM	Exhibit Hall Grand Opening Visit the Exhibit Hall Hall B	
10:15 AM	Learning Track 3 - New Tools in Data Management Ensuring a State-of-the-Art Future Education Session Room 200	
11:45 AM	Open Source Plug Fest Hall B - Shared Learning Community	Exhibit Hall Visit the Exhibit Hall Hall B
12:00 PM	Special Session CR/DR: Today and Tomorrow's Technology Hall B - Shared Learning Community: Innovation Theatre	
1:15 PM	Learning Track 3 - New Tools in Data Management From Migration to Data Management: The Vendor Perspective Applied Learning/Vendor Tie-in Session Room 200	
2:45 PM	Roundtable Enterprise Integration Hall B - Shared Learning Community	
3:30 PM	Learning Track 1 - Practical Imaging Informatics Complex Problems, Practical Solutions Applied Learning Session Room 200	Learning Track 2 - Business Analytics Core Technologies to Implement the Business of Medical Imaging Educational Session Room 101 HIJ
	Learning Track 3 - New Tools in Data Management New Tools in Data Management Scientific Room 101 FG	
5:00 PM	Wine & Cheese Welcome Reception Hall B - Throughout the Exhibit Hall	Camtasia: Hands-on Approach to Interactive Learning Hall B - Shared Learning Community

The 2010 Roadmaps are suggested sessions.

Each attendee should base their schedule on their own needs.

Day 2 - Friday, June 4

8:00 AM	Learning Track 4 - Advanced Visualization Master Minding the Ultimate, Practical 3D Lab Applied Learning/Vendor Tie-in Session Room 200	Learning Track 5 - Automated Reporting Systems Methods for Effective Communication and Reporting Education Session Room 101 HIJ
9:30 AM	Roundtable Disaster Recovery Hall B - Shared Learning Community	Exhibit Hall Visit the Exhibit Hall Hall B
10:15 AM	General Session The 2010 Dwyer Lecture The Role of Imaging Informatics in the Next Generation of EMR/EHR Room 101 HIJ	
12:00 PM	SIIM Membership Meeting Room 101 HIJ	
1:15 PM	Learning Track 4 - Advanced Visualization 3D Labs: What are your Options? Education Session Room 101 HIJ	Learning Track 6 - Interoperability & Integration Image Integration and Interoperability WITHIN the Enterprise Applied Learning Session Room 200
2:45 PM	Roundtable Critical Results Hall B - Shared Learning Community	Exhibit Hall Visit the Exhibit Hall Hall B
3:30 PM	Learning Track 5 - Automated Reporting Systems Communication: An Interactive Conversation with Vendors Applied Learning/Vendor Tie-in Session Room 101 FG	Learning Track 6 - Interoperability & Integration Image Integration and Interoperability BEYOND the Enterprise Education Session Room 101 HIJ
5:00 PM	Interactive e-Learning Using Camtasia Hall B - Shared Learning Community	Roundtable Visualization Advances Hall B - Shared Learning Community
	Exhibit Hall Visit the Exhibit Hall Hall B	

The 2010 Roadmaps are suggested sessions.
 Each attendee should base their schedule on their own needs.

Day 3 - Saturday, June 5

8:00 AM	Learning Track 7 - Imaging Center PACS Image Sharing and Accessibility Applied Learning Session/Vendor Tie Session Room 200
9:30 AM	Exhibit Hall Visit the Exhibit Hall Hall B
10:15 AM	Special Session - Part 1 CIIP Forum Room 101 FG *Designed for attendees who are already CIIPs.
11:45 AM	Scientific Posters and Demonstrations Session Hall B - Shared Learning Community
12:15 PM	Exhibit Hall Last Chance to Visit the Exhibit Hall Hall B
1:00 PM	Special Session - Part 2 CIIP Forum Room 101 FG *Designed for attendees who are already CIIPs.
3:00 PM	Closing General Session Value Innovation through Imaging Informatics Room 101 HIJ
5:00 PM	IIP Networking Reception

Day 4 - Sunday, June 6

7:00 AM	Roundtable Imaging Center Room 101 B	Roundtable Hospital Informatics Room 101 C
8:00 AM	Tools of the Trade Learning Series Part I: Introduction to ITK/VTK, from an XIP™ Perspective Room 101 H	Tools of the Trade Learning Series SQL: Database Mining and Reports Room 101 I
10:30 AM	Tools of the Trade Learning Series Part II: Building and Hosting Applications Using XIP™ Tools Room 101 H	Tools of the Trade Learning Series Hacking HL7 with Mirth Connect Room 101 I
	Tools of the Trade Learning Series Ergo-Friendly: Ergonomics in the Workplace Room 101 J	

The 2010 Roadmaps are suggested sessions.
Each attendee should base their schedule on their own needs.
