

SIIM 2010 Annual Meeting Roadmap

Imaging Informatics Professional

This Roadmap has been designed for IIPs who are new to the field and/or looking to sit for the ABII Certified Imaging Informatics Professional Examination.

Preconference Course - Wednesday, June 2

8:00 AM	Preconference Course 2010 Live Imaging Informatics Professional Bootcamp Room 200
---------	--

Day 1 - Thursday, June 3

8:00 AM	Opening General Session/Learning Track 2 Applied Learning Session Using Dashboards and Business Analytics for Practice Improvement Room 101 HIJ	
9:30 AM	Exhibit Hall Grand Opening Visit the Exhibit Hall Hall B	
10:15 AM	Learning Track 1 - Practical Imaging Informatics Top 10 PACS Problems Education Session Room 101 HIJ	
11:45 AM	CIIP Study Group Hall B - Shared Learning Community *Designed for attendees who are looking to prepare for the CIIP Examination	
12:00 PM	Special Session CR/DR: Today and Tomorrow's Technology Hall B - Shared Learning Community: Innovation Theatre	
12:30 PM	Open Source Plug Fest Hall B - Shared Learning Community	
1:15 PM	Learning Track 1 - Practical Imaging Informatics Practical Imaging Informatics Scientific Session Room 101 HIJ	
2:45 PM	Roundtable Enterprise Integration Hall B - Shared Learning Community	Exhibit Hall Visit the Exhibit Hall Hall B
3:30 PM	Learning Track 1 - Practical Imaging Informatics Complex Problems, Practical Solutions Applied Learning Session Room 200	
5:00 PM	Wine & Cheese Welcome Reception Hall B - Throughout the Exhibit Hall	Camtasia: Hands-on Approach to Interactive Learning Hall B - Shared Learning Community

The 2010 Roadmaps are suggested sessions.

Each attendee should base their schedule on their own needs.

Day 2 - Friday, June 4

8:00 AM	Learning Track 4 - Advanced Visualization Masterminding the Ultimate, Practical 3D Lab Applied Learning Session/Vendor Tie Session Room 200	Learning Track 6 - Interoperability & Integration Interoperability & Integration Scientific Session Room 101 FG
9:30 AM	Roundtable Disaster Recovery Hall B - Shared Learning Community	
10:15 AM	General Session The 2010 Dwyer Lecture The Role of Imaging Informatics in the Next Generation of EMR/EHR Room 101 HIJ	
11:45 AM	Exhibit Hall Visit the Exhibit Hall Hall B	
12:00 PM	SIIM Membership Meeting Room 101 HIJ	
1:15 PM	Learning Track 4 - Advanced Visualization 3D Labs: What are your Options? Education Session Room 101 HIJ	Learning Track 6 - Interoperability & Integration Image Integration and Interoperability WITHIN the Enterprise Applied Learning Session Room 200
2:45 PM	Roundtable Critical Results Hall B - Shared Learning Community	
3:30 PM	Learning Track 4 - Advanced Visualization Advanced Visualization Scientific Session Room 101 FG	Learning Track 6 - Interoperability & Integration Image Integration and Interoperability BEYOND the Enterprise Education Session Room 101 HIJ
5:00 PM	CIIP Study Group Hall B - Shared Learning Community *Designed for attendees who are looking to prepare for the CIIP Examination	Interactive e-Learning Using Camtasia Hall B - Shared Learning Community

The 2010 Roadmaps are suggested sessions.
Each attendee should base their schedule on their own needs.

Day 3 - Saturday, June 5

8:00 AM	<p>Learning Track 7 - Imaging Center PACS Image Sharing and Accessibility Applied Learning Session/Vendor Tie Session Room 200</p>
9:30 AM	<p>Exhibit Hall Visit the Exhibit Hall Hall B</p>
10:15 AM	<p>Scientific Posters and Demonstrations Session Hall B - Shared Learning Community</p>
11:45 AM	<p>Exhibit Hall Last Chance to Visit the Exhibit Hall Hall B</p>
1:00 PM	<p>Learning Track 8 - Image Intensive Specialties Image Intensive Specialties Scientific Session Room 200</p>
3:00 PM	<p>Closing General Session Value Innovation through Imaging Informatics Room 101 HIJ</p>
5:00 PM	<p>IIP Networking Reception</p>

Day 4 - Sunday, June 6

7:00 AM	<p>Roundtable Imaging Center Room 101 B</p>	<p>Roundtable Hospital Informatics Room 101 C</p>
8:00 AM	<p>Tools of the Trade Learning Series Part I: Introduction to ITK/VTK, from an XIP™ Perspective Room 101 H</p>	<p>Tools of the Trade Learning Series SQL: Database Mining and Reports Room 101 I</p>
10:30 AM	<p>Tools of the Trade Learning Series Part II: Building and Hosting Applications Using XIP™ Tools Room 101 H</p>	<p>Tools of the Trade Learning Series Hacking HL7 with Mirth Connect Room 101 I</p>

The 2010 Roadmaps are suggested sessions.
 Each attendee should base their schedule on their own needs.
