

SIIM 2010 Annual Meeting Roadmap

Physicians

This Roadmap has been designed for physicians in all specialties.

Day 1 - Thursday, June 3

8:00 AM	Opening General Session/Learning Track 2 Applied Learning Session Using Dashboards and Business Analytics for Practice Improvement Room 101 HIJ	
9:30 AM	Exhibit Hall Grand Opening Visit the Exhibit Hall Hall B	
10:15 AM	Learning Track 1 - Practical Imaging Informatics Top 10 PACS Problems Educational Session Room 101 HIJ	Learning Track 3 - New Tools in Data Management Ensuring a State-of-the-Art Future Educational Session Room 200
12:00 PM	Special Session CR/DR: Today and Tomorrow's Technology Hall B - Shared Learning Community: Innovation Theatre	
1:15 PM	Learning Track 1 - Practical Imaging Informatics Practical Imaging Informatics Scientific Session Room 101 HIJ	Learning Track 3 - New Tools in Data Management From Migration to Data Management: The Vendor Perspective Applied Learning/Vendor Tie-in Session Room 200
2:45 PM	Exhibit Hall Visit the Exhibit Hall Hall B	Camtasia: Hands-on Approach to Interactive Learning Hall B - Shared Learning Community
3:30 PM	Learning Track 1 - Practical Imaging Informatics Complex Problems, Practical Solutions Applied Learning Session Room 200	Learning Track 2 - Business Analytics Core Technologies to Implement the Business of Medical Imaging Educational Session Room 101 HIJ
5:00 PM	Wine & Cheese Welcome Reception Hall B - Throughout the Exhibit Hall	

The 2010 Roadmaps are suggested sessions.
 Each attendee should base their schedule on their own needs.

Day 2 - Friday, June 4

8:00 AM	Learning Track 4 - Advanced Visualization Masterminding the Ultimate, Practical 3D Lab Applied Learning Session/Vendor Tie Session Room 200	Learning Track 5 - Automated Reporting Systems Methods for Effective Communication and Reporting Educational Session Room 101 HIJ
9:30 AM	Exhibit Hall Visit the Exhibit Hall Hall B	
10:15 AM	General Session The 2010 Dwyer Lecture The Role of Imaging Informatics in the Next Generation of EMR/EHR Room 101 HIJ	
12:00 PM	SIIM Membership Meeting Room 101 HIJ	
1:15 PM	Learning Track 4 - Advanced Visualization 3D Labs: What are your Options? Educational Session Room 101 HIJ	Learning Track 5 - Automated Reporting Systems Automated Reporting Systems Scientific Session Room 200
2:45 PM	Roundtable Critical Results Hall B - Shared Learning Community	
3:30 PM	Learning Track 4 - Advanced Visualization Advanced Visualization Scientific Session Room 101 FG	Learning Track 5 - Automated Reporting Systems Communication: An Interactive Conversation with Vendors Applied Learning/Vendor Tie-in Session Room 200
5:00 PM	Interactive e-Learning Using Camtasia Hall B - Shared Learning Community	Roundtable Visualization Advances Hall B - Shared Learning Community
	Exhibit Hall Visit the Exhibit Hall Hall B	

The 2010 Roadmaps are suggested sessions.

Each attendee should base their schedule on their own needs.

Day 3 - Saturday, June 5

8:00 AM	Special Session: Part 1 Practical Informatics for the Imaging Physician Bootcamp Room 101 FG	
	Learning Track 7 - Imaging Center PACS Image Sharing and Accessibility Applied Learning Session/Vendor Tie Session Room 200	Learning Track 8 - Image Intensive Specialties Imaging in the Other 'Ologies' Educational Session Room 101 HIJ
9:30 AM	Exhibit Hall Visit the Exhibit Hall Hall B	
10:15 AM	Learning Track 7 - Imaging Center PACS Imaging Center PACS 24x7 Educational Session Room 101 HIJ	Learning Track 8 - Image Intensive Specialties Practical Strategies for Multi-Specialty Imaging Applied Learning Room 200
11:45 AM	Roundtable Radiologist Cockpit Hall B - Shared Learning Community	Scientific Posters and Demonstrations Session Hall B - Shared Learning Community
12:15 PM	Exhibit Hall Last Chance to Visit the Exhibit Hall Hall B	
1:00 PM	Special Session: Part 2 Practical Informatics for the Imaging Physician Bootcamp Room 101 FG Room 200	Learning Track 8 - Image Intensive Specialties Image Intensive Specialties Scientific Session Room 200
3:00 PM	Closing General Session Value Innovation through Imaging Informatics Room 101 HIJ	
5:00 PM	Physician & Scientist Networking Reception	

Day 4 - Sunday, June 6

7:00 AM	Roundtable Imaging Center Room 101 B	Roundtable Hospital Informatics Room 101 C
	Roundtable Resident Involvement in SIIM Room 101 A	
8:00 AM	Tools of the Trade Learning Series SQL: Database Mining and Reports Room 101 I	Tools of the Trade Learning Series Writing a Grant or RFP: Key Steps to Success Room 101 J
10:30 AM	Tools of the Trade Learning Series Ergo-Friendly: Ergonomics in the Workplace Room 101 J	

The 2010 Roadmaps are suggested sessions.
Each attendee should base their schedule on their own needs.
