

SIIM 2010 Annual Meeting Roadmap

Physicists & Scientist

This Roadmap has been designed for Physicists and Scientific Researchers.

Day 1 - Thursday, June 3

8:00 AM	Opening General Session/Learning Track 2 Applied Learning Session Using Dashboards and Business Analytics for Practice Improvement Room 101 HIJ	
9:30 AM	Exhibit Hall Grand Opening Visit the Exhibit Hall Hall B	
10:15 AM	Learning Track 2 - Business Analytics Business Analytics Scientific Session Room 101 FG	
11:45 AM	Exhibit Hall Visit the Exhibit Hall Hall B	
12:00 PM	Special Session CR/DR: Today and Tomorrow's Technology Hall B - Shared Learning Community: Innovation Theatre	
12:30 PM	Open Source Plug Fest Hall B - Shared Learning Community	Exhibit Hall Visit the Exhibit Hall Hall B
1:15 PM	Learning Track 1 - Practical Imaging Informatics Practical Imaging Informatics Scientific Session Room 101 HIJ	
2:45 PM	Roundtable Enterprise Integration Hall B - Shared Learning Community	Camtasia: Hands-on Approach to Interactive Learning Hall B - Shared Learning Community
3:30 PM	Learning Track 3 - New Tools in Data Management New Tools in Data Management Scientific Session Room 101 FG	
5:00 PM	Wine & Cheese Welcome Reception Hall B - Throughout the Exhibit Hall	

The 2010 Roadmaps are suggested sessions.

Each attendee should base their schedule on their own needs.

Day 2 - Friday, June 4

8:00 AM	Learning Track 6 - Interoperability & Integration Interoperability & Integration Scientific Session Room 101 FG	
9:30 AM	Exhibit Hall Visit the Exhibit Hall Hall B	
10:15 AM	General Session The 2010 Dwyer Lecture The Role of Imaging Informatics in the Next Generation of EMR/EHR Room 101 HIJ	
12:00 PM	SIIM Membership Meeting Room 101 HIJ	
1:15 PM	Learning Track 5 - Automated Reporting Systems Automated Reporting Systems Scientific Session Room 101 FG	
2:45 PM	Roundtable Critical Results Hall B - Shared Learning Community	Exhibit Hall Visit the Exhibit Hall Hall B
3:30 PM	Learning Track 4 - Advanced Visualization Advanced Visualization Scientific Session Room 101 FG	
5:00 PM	Interactive e-Learning Using Camtasia Hall B - Shared Learning Community	Roundtable Visualization Advances Hall B - Shared Learning Community
	Exhibit Hall Visit the Exhibit Hall Hall B	

The 2010 Roadmaps are suggested sessions.
 Each attendee should base their schedule on their own needs.

Day 3 - Saturday, June 5

8:00 AM	Learning Track 8 - Image Intensive Specialties Imaging in the Other 'Ologies' Educational Session Room 101 HIJ	
8:00 AM	Roundtable I Want That... Cool New Gadgets Hall B - Shared Learning Community	Exhibit Hall Visit the Exhibit Hall Hall B
9:30 AM	Learning Track 8 - Image Intensive Specialties Practical Strategies for Multi-Specialty Imaging Applied Learning Session Room 200	
10:15 AM	Scientific Posters and Demonstrations Session Hall B - Shared Learning Community	
11:45 AM	Exhibit Hall Last Chance to Visit the Exhibit Hall Hall B	
1:00 PM	Learning Track 8 - Image Intensive Specialties Image Intensive Specialties Scientific Session Room 200	
3:00 PM	Closing General Session Value Innovation through Imaging Informatics Room 101 HIJ	
5:00 PM	Physician & Scientist Networking Reception	

Day 4 - Sunday, June 6

7:00 AM	Roundtable Imaging Center Room 101 B	Roundtable Hospital Informatics Room 101 C
	Roundtable Resident Involvement in SIIM Room 101 A	
8:00 AM	Tools of the Trade Learning Series Part I: Introduction to ITK/VTK, from an XIP™ Perspective Room 101 H	Tools of the Trade Learning Series Writing a Grant or RFP: Key Steps to Success Room 101 J
10:30 AM	Tools of the Trade Learning Series Part II: Building and Hosting Applications Using XIP™ Tools Room 101 H	

The 2010 Roadmaps are suggested sessions.
 Each attendee should base their schedule on their own needs.
